Conference

*Professional education for  
increasing knowledge and skills in  
laboratory medicine*

**SECOND ANNOUNCEMENT**

**24 - 27 SEPTEMBER, 2026**  
**hotel DRIM- STRUGA**

**[zmlkc.office@gmail.com](mailto:zmlkc.office@gmail.com)**

# FEEL THE DIFFERENCE!

Dear colleagues and friends,

On behalf of the Association of medical laboratory professionals at Clinical Center Skopje, it is an honor and pleasure, as well a huge responsibility, to announce organization of the **LabQuality`2026**, the **11th International Conference for Professional Education and Increasing the Knowledge of Medical Laboratory Professionals**, a professional event that will be held from **SEPTEMBER 24th to 27th in STRUGA**.

An Organizing committee chose the "DRIM" hotel to host the participants of this Event, the hotel on two waters in Struga, a city that is in eternal symbiosis between modern and traditional, a city full of diversity that makes it unique in the beautiful lake resort, as well to put our stamp like Organizer of uniqueness and exclusivity on the smallest details of this Event, with which we strive to satisfy even the most sophisticated tastes of participants at LabQuality`2026, regardless of whether You are a participant or a guest of this Event.

Your corporate participation at LabQuality`2026 in addition to the educational and professional improvement of knowledge, will give You an extraordinary opportunity to use it simply for pleasure and enjoyment, and we, as the organizers of this Conference, together with our hosts from Hotel Drim, will do our best and ensure that You will do not leave Struga indifferent.

Such a location in Struga is an excellent opportunity for a relaxed atmosphere and environment among colleagues to exchange new knowledge that will deepen relationships to create new contacts at Labquality Days 2026, which this year we named under the title **"DIAGNOSTICS DEDICATED TO LIFE"**. We look forward to your timely title registration and participation in LabQuality`2026 Struga, with which you will contribute to jointly creating the values of the 11th International Conference LabQuality`2026.

Ivica Apostolov,  
President of AMLP Skopje

*I. Apostolov*

*\*This event is supported by EURLs and the EU Commission for the Protection of Planet Earth and the LIFE program, by the Ministry of Health, the Ministry of Education and Science and the Ministry of Environment and Spatial Planning of the Republic of North Macedonia and is in line with the recommendations of the relevant Ministry for Continuing Medical Education of Health Workers.*
