## **10<sup>th</sup> International Conference**

*Professional education for  
increasing knowledge, skills and  
quality in laboratory medicine*

# **SECOND ANNOUNCEMENT**

[zmlkc.office@gmail.com](mailto:zmlkc.office@gmail.com)

**18 - 21 SEPTEMBER, 2025**  
**Hotel SILEKS - OHRID LAKE**

## MAKE A DIFFERENCE IN VALUES!

Dear colleagues and friends,

On behalf of Association of Medical Laboratory Professionals Clinical Center Skopje, it is an honor and pleasure, as well as a huge responsibility for me, to announce organizing the **LabQuality`2025**, the **10th International Conference** for Professional Education and Increasing the Knowledge of Medical Laboratory Professionals, a professional Event which will be held from **SEPTEMBER 18th to 21st at OHRID LAKE**.

We have chosen the **hotel SILEKS** to host the Event, a hotel located at the tourist complex St. Stefan, 4km from the center of Ohrid at the regional road Ohrid - St. Naum and 10km from the airport St. Apostle Paul. Hotel Sileks is located at the very shore of Lake Ohrid and is located between the expanse of clear blue lake water and the greenery of the pine forest, with a through path passes inside forest leads You to the monastery of St. Stefan at an altitude of 720m.

Such a location is an excellent opportunity to combine clean mountain and lake air, and at the same time is an excellent framework and relaxed environment among colleagues, a no ordinary chance to exchange new knowledge and new relationships to create new contacts at **Labquality Days 2025**, which this year is under the title **DIAGNOSTICS DEVOTED TO LIFE**.

We look forward Your early bird registration for participation at **LabQuality`2025 Ohrid** to contribute jointly creating the values of the **10th International Conference LabQuality`2025**.

Ivica Apostolov  
President AMLPCC

\*This event is supported by the EU Commission for the Protection of Planet EARTH and the EU-LIFE Programme, the Ministry of Health, the Ministry of Education and Science and the Ministry of Environment of the Republic of North Macedonia and is in the line with the recommendations of the relevant Ministry for Continuing Medical Education of Health Workers.
